

**Pastoral Counseling Skills Resources  
Webinar Series Needs Survey – May 2004  
Office of Spiritual Formation & Counseling Services  
Hellenic College/Holy Cross Greek Orthodox School of Theology**

***What is a webinar?***

A webinar uses a collaborative tool to deliver a web-based presentation that features an expert speaker. Participants can log in from anywhere – at work, at home – to attend a webinar. These programs combine audio and visual instruction to create a truly interactive learning experience.

***Is a webinar for me?***

Perhaps you need a “refresher.” Perhaps you have decided to further your education and training and you need an educational experience that works around your schedule. Then, webinars might be for you.
