Media Producer (Undergraduate/ Graduate)  
Orthodox Christian Network

**Responsibilities:** The Student Media Producer assists OCN in preparing and enhancing web and/or conference presentation materials, for both in-person and online use. Students in this position participate in creation of materials by researching, formatting, repurposing, or incorporating appropriate media elements such as graphics, digital video or audio, animation, and a variety of Internet resources. Skills using Photoshop, PowerPoint, and Internet search engines are required, but experience with Dreamweaver, Flash, nonlinear video editing, or page layout would also be beneficial.

**Qualifications:** Creative, innovative, and detail-oriented individual with good writing and computer skills; knowledge and experience with major social media platforms; knowledge of Adobe InDesign, Adobe Photoshop, Quark Xpress, or other desktop publishing software; layout and web design experience with content management systems (CMS) a plus. Desired candidate would have strong written and verbal communication skills, and willingness to interview persons on campus and research information to develop assigned story/article. Applicants will be asked to present writing samples.

**Hours:** 10-20 per week

**Number of Positions:** 2
