BIO

Jonathan Jackson is a five-time Emmy Award-winning actor who can currently be seen on the CMT primetime drama *Nashville*. In addition to acting, since 2004 Jonathan has also been the lead singer, guitar player, and songwriter for the rock band Jonathan Jackson + Enation, which Billboard calls a "rock band on the rise." He and his band support a number of charities, including The Syria Project and Not For Sale, an organization dedicated to ending the atrocity of modern-day slavery.

Jonathan is also a writer. His passion for life, communication, and ability to seamlessly intertwine images with deep emotional concepts and stories compel him to write screenplays, novels, and poetry. His current book is a work of mystical poetry entitled *Book of Solace and Madness*.

Jonathan resides in Nashville, TN, with his wife, Elisa, and his three children.
