

"THE GREEK PRESENCE IN POST BYZANTINE ASIA MINOR AND ITS ACADEMIC STUDY"

PASCHALIS KITROMILIDES
PROFESSOR OF POLITICAL SCIENCE UNIVERSITY OF ATHENS
SECRETARY OF THE GOVERNING BOARD, CENTRE FOR ASIA MINOR STUDIES

Dr. Kitromilides examines the condition of the Greek Orthodox communities in the peninsula in the late 19th and the early 20th century. He draws extensively on the records of the Centre for Asia Minor Studies in Athens to provide a visually evocative account of the Greek Orthodox presence, just on the eve of the tragedy.
