Dear Recommender,

Greetings in our Lord Jesus Christ! As they approach the beginning of young adult life, the teens in our communities are developing questions about their future and how it relates to their faith. The CrossRoad summer institute, now in its ninth year, welcomes annually sixty high school juniors and seniors to participate in a ten-day Orthodox Christian program developed to help them discover answers. CrossRoad dates for the summer of 2012 are June 23-July 3 (June session) and July 10-20 (July session). This youth program, focused on vocational exploration, is held on the campus of Hellenic College/Holy Cross School of Theology in Brookline, MA. Through grants from the Lilly Endowment Inc., Leadership 100, and generous donors, each accepted 2012 applicant will receive a full tuition scholarship and is only responsible for travel costs to/from Boston. Participants' home churches are encouraged to help with travel costs and to have their student(s) offer a presentation after attending.

For ten days participants will:

- Grow in their faith
- Explore their strengths
- Engage in serving others
- Discover how their gifts and talents can serve the needs of the Church and society

In all of this, we're hoping to encourage them on their journey toward Christ, with the belief that if He is the cornerstone of their lives, whatever they choose to do will be built on a solid foundation. By using the wisdom of the Church as well as contemporary resources we hope to help them discern their life callings, matching their personal gifts with the needs of the world. The staff of CrossRoad believes that if the participants strive to live a life in and for Christ, almost any occupation, event or relationship can become a door to holiness.

In selecting CrossRoad participants, our committee depends on recommendations of the applicants supplied by persons who know them well. We are eager to select those individuals whose interests indicate that they have the greatest potential to benefit from this program. Please provide a frank and thoughtful appraisal of the applicant. We greatly appreciate the time you devote to this evaluation.

For more information please see the CrossRoad website, <http://crossroad.hchc.edu>, and feel free to contact us with any questions, comments, or concerns at (617) 850-1310 or crossroad@hchc.edu.

Sincerely,

Michael Tishel, Director
