September 2010

Dear Father,

Greetings in our Lord Jesus Christ! As they approach the beginning of young adult life, the teens in your community are developing questions about their future and how it relates to their faith. The CrossRoad summer institute, now in its eighth year, welcomes annually sixty high school juniors and seniors to participate in a ten-day Orthodox Christian program developed to help them discover answers. CrossRoad dates for the summer of 2011 are June 18-28 (June session) and July 5-15 (July session). This youth program, focused on vocational exploration, will be held on the campus of Hellenic College/Holy Cross School of Theology in Brookline, MA. Through grants from the Lilly Endowment Inc., Leadership 100, and generous donors, each accepted applicant receives a full scholarship and is only responsible for travel costs to/from Boston. Participants' home churches are encouraged to help with travel costs and to have their student(s) offer a presentation after attending.

For ten days participants will

- experience a full liturgical life, praying together at daily services both in the school's chapel and at different Orthodox churches in the Boston area.
- study their faith in an Orthodox Christian academic setting—two seminary professors will offer mini-courses.
- serve their neighbor—they will participate in outreach projects at different ministries in the Boston area.
- spend time together as a group, with fun and fellowship with other Orthodox Christians their age, forming friendships that will last a lifetime.

In all of this, we're hoping to help them discern their life callings, matching their personal gifts with the needs of the world. The staff of CrossRoad believes that in just about any direction they choose for their life, it can be of service of God and neighbor, which is Christ's call to us all.

****In selecting CrossRoad participants, our committee depends on recommendations of the applicants supplied by persons who know them well. We are eager to select those individuals whose interests indicate that they have the greatest potential to benefit from this program. Please provide a frank and thoughtful appraisal of the applicant. We greatly appreciate the time you devote to this evaluation.**
