## Field Education Program

- Final Evaluation by Student -

Name \_\_\_\_\_ Date \_\_\_\_\_

Field Education Site \_\_\_\_\_

Supervisor \_\_\_\_\_

1. What was the focus of your Field Education assignment?
2. List and describe briefly the tasks you performed in your assignment.
3. Assess your growth in relation to the goals and objectives you set for yourself at the beginning of this assignment.
4. Evaluate the quality of the performance of your tasks. Please be specific.
5. How many hours did you devote to Field Education each week (including supervision, preparation and travel time)?
6. How often did you meet with your supervisor?
7. Describe how you were supervised.
8. What aspects of your field assignment were most helpful?

9. Were there any aspects of your assignment which were not helpful? Please explain.
  
10. Evaluate your project setting as a Field Education site for learning through experience.
  
11. Of what help were your courses, seminars, etc. at Holy Cross in you field assignment?
  
12. How many sermons did you preach? Give dates.

*(Number 12-15 are to be answered as they apply to each student)*

13. How many visitations did you make? What kind of visitation?
  
14. How many meetings of parish organizations did you attend? What kind of meetings?
  
15. How many services other than the Divine Liturgy did you participate in? Which services? How did you participate?

*After completing this evaluation, the student is asked to share it with his/her supervisor. The supervisor is then requested to evaluate the student's performance, indicating both strengths and weaknesses. The evaluation should be discussed with the student before it is submitted to the Field Education Office.*
