No handbook can anticipate every circumstance or question about every one of our policies. Further, there may be situations where the need arises for us to revise, add, or cancel policies. Therefore, Hellenic College reserves the right to add new policies, and to change or cancel existing policies at any time without notice. The only exception is that our employment-at-will policy will not be changed or cancelled. The employment-at-will policy permits you or Hellenic College to end the employment relationship at any time for any or no reason.

The handbook describes important information about Hellenic College. If you have any specific questions, please consult the Human Resources Office or the Vice President for Administrative Affairs, Finance and Operations regarding any questions not answered in the handbook. 104a. Conflicts of Interest

Effective Date: 03/19/2003 Revision

Date: 08/30/2013

As an employee of Hellenic College, Inc. you have the obligation to conduct your duties within guidelines that prohibit actual or potential conflicts of interest. In this policy, Hellenic College is establishing the framework within which we wish to operate. These guidelines are intended to provide a general direction so that you can get further clarification on areas that affect you. For more information or questions on conflict of interest, contact the Human Resources Department.

An actual or potential conflict of interest occurs when an employee is in a position to influence a decision that may result in a personal gain for that employee or for a relative as a result of business dealings with Hellenic College. For the purposes of this policy, we define a relative as any person who is related by blood or marriage, or whose relationship with the employee is similar to that of persons who are related by blood or marriage.

There is no "presumption of guilt" created by the mere existence of a relationship with outside firms. However, if you have any influence on transactions involving purchases, contracts, or leases, it is imperative that you disclose this fact to an officer of Hellenic College as soon as possible. By alerting us to the existence of any actual or even a potential conflict of interest, we can establish safeguards to protect all parties.

The potential for personal gain is not limited to situations where an employee or relative has a significant ownership in a firm with which Hellenic College does business. Personal gains can also result from situations where an employee or relative receives a kickback, bribe, substantial gift, or special consideration as a result of a transaction or business dealings involving Hellenic College.

Best practices suggest that all senior managers and governance committee members complete a "Conflict of Interest" statement each year. The conflict of interest statement will be sent annually, each year, to applicable staff. Additionally, contract or u1099" consultants may be required to complete such statement prior to the acceptance of any quote or bid.

Further, all records including the names and personal information of students, staff and faculty shall be kept confidential at all times. At all times confidentiality on student names and records shall be maintained.

The employment of relatives in the same area of an organization may cause serious conflicts and problems with favoritism and employee morale. In addition to claims of partiality in treatment at work, personal conflicts from outside the work environment can be carried over into day-to-day working relationships.

For purposes of this policy, a relative is defined as any person who is related to you by blood or marriage or whose relationship with you is similar to that of a relative.

As a general rule, Hellenic College prohibits hiring relatives of existing employees. However, at the direction of the Vice President for Administration and Finance and with the approval of the College President, this policy may be waived by the College.

210 Job Descriptions

Effective Date: 03/19/2003 Revision

Hellenic College tries to create and maintain accurate job descriptions for all positions within the organization. We use the job descriptions to help new employees understand their job duties and to set standards for employee performance evaluations. Job descriptions are also used to identify the requirements of each position, establish hiring criteria, and establish a basis for making reasonable accommodations for individuals with disabilities.

The Office of Administration and Finance-Human Resources and the hiring manager prepare job descriptions when new positions are created. Existing job descriptions are also reviewed and revised in order to ensure that they are up to date. Job descriptions may also be rewritten periodically to reflect any changes in the position's duties and responsibilities. You can also be helpful by making sure that your job description accurately reflects the work you do.

We would like you to remember that job descriptions do not necessarily cover every task or duty that you might be assigned, and that additional responsibilities may be assigned as necessary. You can contact the Office of Administration and Finance-Human Resources if you have any questions or concerns about your job description.

Your eligibility for each benefit program depends on a variety of factors, including your employee classification. To better understand exactly which benefit programs you are eligible for, talk to your supervisor. You will find details about many of these programs elsewhere in the employee handbook. In some cases, a policy may also refer you to other sources, such as the Summary Plan Document for that benefit.

Employees may roll over up to three weeks of vacation into the next calendar year for unused vacation days. Employees may petition the Office of Administration and Finance-Human Resources for additional days on top of the three weeks. We encourage you to use your available paid vacation time for rest, relaxation, and personal pursuits. This roll over may accumulate from year to year. For example, if the employee has 3 weeks vacation and they wish to roll it over, in the following year, they will possess 6 weeks.

Workers' compensation is intended to cover only work-related injuries and illnesses. 320 TIAA-CREF Retirement Plan

Effective Date: 03/19/2003 Revision

Date: 08/30/2015

After the completion of one year's full-time employment, Administration, Faculty and Staff are eligible to enroll in the TIAA-Cref Retirement Plan. The TIAA-CREF plan allows you to contribute 2 1/2% of your annual salary, and direct the investment of your plan account, so you can tailor your own retirement package to meet your individual needs.

To be eligible to join the TIAA-CREF Retirement plan, you must complete 12 months of service and be 21 years of age or older. All eligible employees may participate in the plan.

Eligible employees may enroll in the Archdiocesan Pension Plan instead. Participation is elective. Each month, participants contribute to the plan 5% of their base earnings and Hellenic College contributes five hundred dollars (\$500.00). If you need more information about the plan and its benefits, contact the Archdiocesan Office of Economic Development, Benefits Administrator.

Because your contribution is automatically deducted from your pay before federal and state tax withholdings are calculated, you save tax dollars now by having your current taxable amount reduced. While the amounts deducted generally will be taxed when they are finally distributed, favorable tax rules typically apply to retirement distributions.

Complete details of the retirement plan are described in the Summary Plan Description. You can contact the Human Resources Department for more information about the TIAA CREF plan.

Under the Employment Retirement Income Security Act (ERISA), those eligible for and/or participating in the Hellenic College benefit plans are entitled to certain information and reporting relative to those plans.

401 Timekeeping

Effective Date: 03/19/2003 Revision

Date: 08/30/2015

Normal business hours are 9:00 a.m. to 5:00 p.m. Some departments may have flexible variations to normal work schedule per the direction of the manager and VP for Administration and Finance. All employees are responsible for accurately recording the hours they work. This information also helps Hellenic College comply with the laws that require us to keep accurate records of "time worked" in order to correctly calculate employee pay and benefits. "Time worked" is defined as all the time nonexempt staff spend performing assigned duties. Senior Managers can modify work hours and allow a flexible schedule with the permission of the Vice President for Administration and Finance.

You must accurately record the time you begin and end your work, or if you leave the workplace for personal reasons. Also, you always need to receive advance approval before working any overtime hours. You are to record your time using the School's computerized system. The Office of Administration and Finance-Human Resources Department will assign a password to you and instruct you on how to use the system.

We consider attempts to falsify timekeeping records a very serious matter. Therefore, any of the following actions may result in disciplinary action, up to and including termination: altering, falsifying, tampering with time records, or recording another employee's time record.

Non exempt employees are also responsible for signing your time records to certify their accuracy. Your supervisor will then review and initial the time records before submitting for payroll processing. In addition, if corrections or revisions are made to the time record, both the employee and supervisor must initial the changes on the time record as being accurate.

403 Paydays

Effective Date: 03/19/2003 Revision

Date: 04/22/2019

Hellenic College processes payroll on a bi-weekly schedule (every other Friday, 26 times per year.) Each paycheck includes earnings for all work performed through the end of the previous week.

If a regularly scheduled payday falls on a day off, such as a weekend or holiday, you will be paid on the last workday before the regularly scheduled payday.

If you are going to be on vacation on a payday, your paycheck will be available upon your return.

We also offer the option of having your pay directly deposited into your bank account once you provide us with the required authorization. When you select direct deposit, you receive an itemized statement of wages on paydays instead of a paycheck.

405 Employment Termination

Effective Date: 03/19/2003 Revision

Date: 02/04/2005

Termination of employment is an inevitable part of Human Resources activity within any organization, and many of the reasons for termination are routine. These are some of the most common circumstances for employment terminations:

- * Resignation - voluntary employment termination initiated by an employee.
- * Discharge - involuntary employment termination initiated by the organization.
- * Layoff - involuntary employment termination initiated by the organization for non disciplinary reasons.
- * Retirement - voluntary employment termination initiated by the employee meeting age, length of service, and any other criteria for retirement from the organization.

We will generally schedule an exit interview at the time of employment termination. The exit interview is an opportunity to discuss such issues as employee benefits, conversion privileges, repayment of any outstanding debt to HCHC, or return of HCHC-owned property such as keys, ID cards, etc. It is also a time for you to voice any suggestions, complaints, and questions you may have.

Since employment with HCHC is based on mutual consent, either you or HCHC have the right to terminate the employment relationship at will, with or without cause or advance notice, at any time.

Your benefits are affected by termination in several ways. All accrued, vested benefits that are due and payable at termination will be paid out. Some benefits may be continued at your expense if you choose. You will be notified in writing of the benefits that may be continued and of the terms, conditions, and limitations for continuing them.

For security purposes, regardless of the type of termination, HCHC will immediately disable access to all electronic systems utilized by HCHC unless another arrangement has been made by the Vice President for Administration and Finance.

410 Pay Deductions and Setoffs

Hellenic College contributes to your Social Security by matching the amount of Social Security taxes deducted from your compensation.

Hellenic College offers programs and benefits to eligible employees beyond those required by law. You may voluntarily authorize deductions from your paycheck to cover your portion of the cost of these programs.

We may find it necessary in accordance with law to take "pay setoffs" from your paycheck. Pay setoffs are pay deductions taken by Hellenic College, usually to help pay off a debt or obligation to us or to others.

If you have questions concerning why a deduction was made from your paycheck or how your paycheck is calculated, consult with your supervisor.

Revision Date: 04/22/2019

There could times when emergencies, such as severe weather, fires, power failures, or national security emergencies, earthquakes, etc., may disrupt our normal operations. In extreme cases, these circumstances may require that we close the College.

508 Business Travel Expenses

Effective Date: 03/19/2003 Revision

HCHC will reimburse employees for reasonable and necessary business travel expenses when the travel has been approved in advance by the Vice President for Administration. Once your travel plans are approved, you are responsible for making your own travel arrangements.

When approved, **we will** reimburse the reasonable and necessary costs of travel, meals, lodging, and other expenses directly related to accomplishing the objective of your trip. Naturally, we expect you will keep expenses within reasonable limits.

Expenses that generally will be reimbursed include the following:

- Airfare or train fare for travel in coach or economy class or the lowest available fare.
- Car rental fees, only for compact or mid-sized cars.
- Fares for shuttle or airport bus service, where available; costs of public transportation for other ground travel.
- Taxi fares, only when there is no less expensive alternative.
- Mileage costs for use of personal cars, only when less expensive transportation is not available.
- Cost of standard accommodations in low to mid-priced hotels, motels, or similar lodgings.
- Cost of meals, no more lavish than would be eaten at the employee's own expense.
- Tips not exceeding a % of the total cost of a meal or a % of a taxi fare.
- Charges for telephone calls, fax, and similar services required for business purposes.
- Charges for laundry and valet services, only on trips of five or more days. (Personal entertainment and personal care items are not reimbursed.)

In the event that you are involved in an accident while traveling on business, immediately report the incident to your supervisor. And, if you use a vehicle owned, leased, or rented by HCHC, it may not be used for personal reasons unless you have prior approval by the College.

There may be times when you wish to have a family member or friend come with you on a business trip. You may also want to combine a business trip with personal travel. In both cases, you need to get prior approval. Since the purpose of your trip is business, we want to ensure that nothing interferes with achieving that objective. Of course, any expenses related to the non-business portion of the trip or a companion will be your responsibility.

When a business trip is over, submit your completed travel expense report within 30 days accompanied by receipts for all individual expenses.

Your supervisor can give you guidance and assistance on procedures related to travel arrangements, expense reports, reimbursement for specific expenses, or any other business travel issues.

We consider abuse of this policy to be a very serious matter. This includes falsifying expense reports to reflect costs that were not incurred by you or were not business related. Therefore, failure to follow this business travel expense policy may be grounds for disciplinary action, up to and including

511 Workplace Violence Prevention

Effective Date: 03/19/2003 Revision

Date: 04/22/2019

Hellenic College is committed to preventing workplace violence and to maintaining a safe work environment. We have adopted the following guidelines to deal with intimidation, harassment, or other threats of (or actual) violence that might occur during business hours or on our premises.

All employees, including supervisors and temporary employees, should be treated with courtesy and respect at all times. Employees are expected to refrain from fighting, "horseplay," or other conduct that may be dangerous to others. We prohibit firearms, weapons, and other dangerous or hazardous devices and substances from the premises of Hellenic College without proper authorization.

Hellenic College will not tolerate conduct that threatens, intimidates, or coerces another employee, a customer, or a member of the public at any time, including off-duty periods. This includes all acts of harassment, including harassment that is based on an individual's sex, race, age, or any characteristic protected by federal, state, or local law.

All threats of (or actual) violence, either direct or indirect, should be reported as soon as possible to your supervisor and the Vice President for Administration and Finance. This includes threats by employees as well as threats by students, vendors, solicitors, or anyone else. When reporting a threat of violence, you should be as specific and detailed as possible.

Be sure to report any suspicious person or activities as soon as possible to a supervisor. Do not place yourself in peril. If you see or hear a commotion or disturbance near your work area, do not try to intercede or see what is happening.

We will promptly and thoroughly investigate all reports of threats of (or actual) violence and of suspicious individuals or activities. The identity of the person who made the report will be protected to the extent practical. To maintain workplace safety and the integrity of its investigation, Hellenic College may suspend an employee, either with or without pay, pending investigation.

Any person who violates these guidelines will be subject to disciplinary action, up to and including termination of employment. Violations include making a threat of violence or actually committing a violent act. If you are having a dispute or differences with another employee, we encourage you to discuss it with your supervisor and the Vice President for Administration and Finance before the situation escalates into potential violence. Hellenic College is eager to assist in the resolution of employee disputes and we will not discipline an employee for raising these types of concerns.

601 Medical Leave

Effective Date: 03/19/2003 Revision

Date: 04/22/2019

Hellenic College provides unpaid medical leaves of absence to eligible employees who become temporarily unable to work due to a serious health condition or disability. For medical leave purposes, a serious health condition or disability includes inpatient care in a hospital, hospice, or residential medical care facility, and continuing treatment by a health care provider.

Employees in the following employment classifications are eligible to request medical leave:

- * Regular full-time employees

In order to receive medical leave, you must specifically request it. If you think you will need a medical leave, give your request to your supervisor at least 30 days in advance of the date the leave would start. This will help us plan for your possible absence. If it is an unexpected situation, make your request as soon as possible.

We require a health care provider's statement verifying the need for medical leave and the start and expected end dates. You are responsible for telling us about any subsequent changes to that information. Before you can return to work, we will require verification from a health care provider stating that you are fit to return.

Unpaid medical leaves are normally for the period of the disability, up to a maximum of 6 months subject to the ADA. The six month maximum applies to any combination of both medical leave and family leave during any 12 month period. If the initial period of approved leave proves insufficient, we will also consider a request for extension. Before beginning an unpaid medical leave, you must first use any available accrued paid time off, such as vacation or sick benefits.

If you incur a work-related injury, you are eligible for a medical leave for the period of disability in accordance with the laws covering occupational disabilities.

Subject to the terms, conditions, and limitations of the applicable plans, Hellenic College will provide health insurance benefits for a maximum of thirty calendar days after a medical leave begins. At that time, you will become responsible for the full cost of those benefits in order for coverage to continue. When you return from medical leave, Hellenic College will resume providing those benefits according to the applicable plans.

Benefit accruals, such as vacation, sick leave, and holiday benefits, will continue during an approved medical leave period.

601 Medical Leave {Continued}

To help us plan for your return from leave, we request at least two weeks notice before your expected return date. When you return from medical leave, you will be reinstated to your position unless that job is no longer available. If it is not available, you will be placed in an equivalent position for which you are qualified.

If you do not report back to work promptly at the end of a medical leave, we will assume that you have resigned.

602 Family and Medical Leave

Effective Date: 03/19/2003 Revision

Date: 04/22/2019

Hellenic College, Inc. provides unpaid family leaves of absence to eligible employees under the Family Medical Leave Act ("FMLA") who need to take time off from work duties to fulfill family obligations relating directly to childbirth, adoption, or placement of a foster child within one year of the child's birth or placement. FMLA may also be requested to care for an employee's own serious health condition that prevents the employee from performing the essential functions of his or her job or to care for a child, spouse, or parent with a serious health condition. Leave under the FMLA may also be provided to employees who need to take leave for "any qualifying exigency" related to the foreign deployment of a military member who is the spouse, child, or parent of the employee.

A serious health condition is defined as an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical care facility or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job or prevents the qualified family member from participating in school or other daily activities. An employee's own serious health condition includes incapacity due to pregnancy, prenatal medical care, or childbirth.

A "qualifying exigency" includes: (1) short notice deployment (limited to seven calendar days from date notified of deployment); (2) military events and related activities; (3) childcare and school activities; (4) financial and legal arrangements; (5) counseling; (6) rest and recuperation (limited to fifteen days of FMLA leave); (7) post- deployment activities; (8) additional activities, only as mutually agreed to by employee and the College and (9) parental care.

Employees who have been employed by Hellenic College for at least 12 months and have worked at least 1,250 hours in the 12-month period immediately preceding the commencement of leave are eligible for unpaid job protected leave under the FMLA.

If you think you will need FMLA leave, you must provide human resources with your request at least 30 days in advance of the date the leave would start. This will help us plan for your possible absence. Where 30 days advance notice is not possible, employees must provide as much notice as is practicable and generally must comply with Hellenic College's normal call-in procedures for an

Hellenic College & Holy Cross School of Theology

Policies & Procedures Manual

absence or tardiness. An employee's failure to comply with the College's FMLA leave procedures can be grounds for delaying or denying an employee's request for FMLA-qualifying leave

If you request FMLA due to your own serious health condition or the serious health condition of a child, spouse, or parent, you may be required to submit a health care provider's statement verifying the need for a leave, the start and expected end dates, and the estimated time required.

An eligible employee may request up to a maximum of 12 weeks of family leave within any 12-month period. The twelve-week maximum applies to any combination of both family leave and medical leave during any 12-month period. An eligible employee who is a covered service member's spouse, child, parent or next of kin may take up to 26 weeks of FMLA leave in a single 12-month period to care for the service member with a serious injury or illness. Employees may be required to provide a certification or periodic recertification supporting the need for leave. If it is determined that the certification is incomplete, written notice will be provided indicating what additional information is required. FMLA leave may be taken in one block of 12 weeks, or, when it is medically necessary or otherwise permitted, FMLA leave may also be taken intermittently, in increments of at least one (1) hour, or on a reduced schedule. Employees needing intermittent leave for planned medical treatment must make reasonable efforts to schedule the leave so as to not unduly disrupt Hellenic College's operations.

You will be restored to the same or equivalent position after an FMLA leave, except in certain cases where the person has been designated as a "key employee" or where employment would not have continued had the employee not been on leave.

When returning from FMLA leave for your own serious health condition, the College may request the employee provide a "fitness for duty" note from your attending medical provider before being restored to the same or equivalent position.

If your spouse is also employed by Hellenic College, as a couple you are restricted to a combined total of 12 weeks leave within any 12-month period for childbirth, adoption, or placement of a foster child, or to care for a parent with a serious health condition.

Subject to the terms, conditions, and limitations of the applicable plans, Hellenic College will continue to provide the same health insurance benefits for the full period of the approved family leave as if actively employed. FMLA makes it unlawful for any employer to: interfere with, restrain, or deny the exercise of any right provided under the FMLA; or discharge or discriminate against any person for opposing any practice made unlawful by the FMLA or for involvement in any proceeding under or relating to the FMLA.

An employee may file a complaint with the US Department of Labor or may bring a private lawsuit against an employer. (DOL contact information is: 1-866-487-9243; TTY 1-877-889- 5627; www.wagehour.dol.gov). FMLA does not affect any Federal or State law prohibiting discrimination or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

Please refer to the State and Federal Labor Law for further details.

603 Personal Leave

Effective Date: 03/19/2003 Revision

Date: 04/22/2019

Hellenic College will consider a request from an eligible employee to take an unpaid personal leave of absence to fulfill personal obligations. Employees in the following employment classifications are eligible to request a personal leave:

- Regular full-time employees

In order for us to give your leave request adequate consideration, we ask that you submit the request in writing to your supervisor as far in advance as possible. With supervisory approval and the final approval of the Vice President for Administration and Finance, you may include available accrued paid time off, such as vacation, as part of your personal leave period.

The decision to approve a personal leave will be based on a number of business factors such as anticipated workload needs and staffing considerations during the proposed absence.

Subject to the terms, conditions, and limitations of the applicable plans, Hellenic College will provide health insurance benefits for the first 60 calendar days after an approved personal leave begins. At that time, you will become responsible for the full cost of those benefits in order for coverage to continue and any administrative fees. When you return from personal leave, Hellenic College will resume providing those benefits according to the applicable plans.

When a personal leave ends, we will make every reasonable effort to return you to the same position if it is available or to an available similar position for which you are qualified. However, Hellenic College cannot guarantee reinstatement in all cases.

If you do not report to work promptly at the end of a personal leave, we will assume that you have resigned.

607 Pregnancy Disability Leave

Effective Date: 03/19/2003 Revision

Date: 04/22/2019

For those not eligible under FMLA, Hellenic College provides unpaid pregnancy disability leaves of absence to eligible employees who are temporarily unable to work due to a disability related to pregnancy, childbirth, or related medical conditions.

Employees in the following employment classifications are eligible to request pregnancy disability leave:

- * Regular full-time employees

If you think that you will need a pregnancy disability leave, give your request to your supervisor at least 30 days in advance of the date the leave would start. This will help us plan for your absence. If the situation prevents giving advance notice, make your request as soon as possible.

We require a physician's statement verifying the need for medical leave and the start and expected end dates. You are responsible for telling us about any subsequent changes to that information. Before you can return to work, we will require verification from a health care provider stating that you are fit to return.

Unpaid pregnancy disabilities are normally for the period of the disability, up to a maximum of 12 weeks within any 12-month period subject to ADA. Before beginning an unpaid leave during the pregnancy disability period, you must first use any available accrued paid time off, such as vacation or sick leave.

Subject to the terms, conditions, and limitations of the applicable plans, Hellenic College will continue to provide health insurance benefits for the full period of the approved pregnancy disability leave.

Benefit accruals, such as vacation, sick leave, or holiday benefits, will continue during a pregnancy leave during period of paid leave.

To help us plan for your return to work from leave, we request at least two weeks notice before the expected return date. When a pregnancy disability leave ends, you will be reinstated to the same position, unless either your job ceased to exist because of

702 Drug and Alcohol Use

Effective Date: 03/19/2003

Revision Date: 04/22/2019

Hellenic College wants to provide a drug-free, healthful, and safe workplace. To meet this goal, we expect you to report to work in a mental and physical condition that enables you to perform your job in a competent manner.

While on Hellenic College premises or while conducting college-related activities off Hellenic College premises, you may not use, possess, distribute, sell alcohol or drugs, or be under the influence of alcohol or illegal drugs. We permit the legal use of prescribed drugs on the job only if they do not impair your ability to perform the essential functions of your job effectively and safely without endangering others.

If you violate this policy, it may lead to disciplinary action, up to and including immediate termination of your employment. Additionally, we may require that you participate in a substance abuse rehabilitation or treatment program. If you violate this policy, there could also be legal consequences.

An employee with a drug or alcohol problem may request approval to take unpaid time off to participate in a rehabilitation or treatment program through our health insurance benefit coverage, subject to disciplinary action. The time off may be granted if the employee agrees to abstain from using the problem substance while in rehabilitation; abides by all Hellenic College policies, rules, and prohibitions relating to conduct in the workplace; and if granting leave will not cause Hellenic College any undue hardship.

Under the Drug-Free Workplace Act, an employee who performs work for a government contract or grant must notify Hellenic College of a criminal conviction for drug-related activity occurring in the workplace. The report must be made within five days of the conviction. (See separate policy for drug free work place acts)

If you have questions about this policy or issues related to drug or alcohol use at work, you can raise your concerns with your supervisor or the Human Resources Department without fear of reprisal.

703 Sexual and Other Unlawful Harassment

Effective Date: 03/19/2003 Revision

Date: 04/22/2019

Hellenic College is committed to providing a work environment that is free from all forms of discrimination and conduct that can be considered harassing, coercive, or disruptive, including sexual harassment. Actions, words, jokes, or comments based on an individual's **sex**, race, color, national origin, age, religion, disability, sexual orientation, or any other legally protected characteristic will not be tolerated.

Sexual harassment is defined as unwanted sexual advances, or visual, verbal, or physical conduct of a sexual nature. This definition includes many forms of offensive behavior and includes gender-based harassment of a person of the same sex as the harasser. The following is a partial list of sexual harassment examples:

- Unwanted sexual advances.
- Offering employment benefits in exchange for sexual favors.
- Visual conduct that includes leering, making sexual gestures, or displaying of sexually suggestive objects or pictures, cartoons or posters.
- Verbal conduct that includes making or using derogatory comments, epithets, slurs, or jokes.
- Verbal sexual advances or propositions.
- Verbal abuse of a sexual nature, graphic verbal commentaries about an individual's body, sexually degrading words used to describe an individual, or suggestive or obscene letters, notes, or invitations.
- Physical conduct that includes touching, assaulting, or impeding or blocking movements.

Unwelcome sexual advances (either verbal or physical), requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when:

(1) submission to such conduct is made either explicitly or implicitly a term or condition of employment; (2) submission or rejection of the conduct is used as a basis for making employment decisions; or, (3) the conduct has the purpose or effect of interfering with work performance or creating an intimidating, hostile, or offensive work environment.

703 Sexual and Other Unlawful Harassment (Continued)

Effective Date: 03/19/2003

Revision Date: 04/22/2019

If you experience or witness sexual or other unlawful harassment in the workplace, report it immediately to your supervisor. If the supervisor is unavailable or you believe it would be inappropriate to contact that person, you should immediately contact the Human Resources Department or any other member of management. You can raise concerns and make reports without fear of reprisal or retaliation.

All allegations of sexual harassment will be quickly and discreetly investigated. To the extent possible, your confidentiality and that of any witnesses and the alleged harasser will be protected against unnecessary disclosure. When the investigation is completed, you will be informed of the outcome of the investigation.

Any supervisor or manager who becomes aware of possible sexual or other unlawful harassment must immediately advise the Human Resources Department or any member of management so it can be investigated in a timely and confidential manner. Any employee engaging in sexual or other unlawful harassment will be subject to disciplinary action, up to and including termination of employment. There will be no retaliation for filing a complaint or being a witness.

705 Dress Code

Effective Date: 03/19/2003 Revision

Date: 08/30/2013

We want Hellenic College employees to reflect an appropriate image to students and visitors. How you dress, your grooming and personal cleanliness standards all contribute to that image and also to the morale of your co-workers.

During business hours or whenever representing Hellenic College, you are expected to present a clean, neat, and tasteful appearance. You should always dress and groom yourself according to the requirements of your position and accepted social standards. This is particularly true if your job involves dealing in person with students or visitors.

Your supervisor or department head is responsible for establishing a reasonable dress code appropriate to the job you perform. If your supervisor feels your personal appearance is inappropriate, you may be asked to leave work until you can return properly dressed or groomed. If this happens, you will not be paid for the time away from work. Be sure to consult your supervisor if you have questions as to what constitutes appropriate appearance.

Because personal style can be important to people, we do not want to restrict individual tastes unnecessarily. However, to give additional guidance, we expect Hellenic College employees to follow the personal appearance guidelines below:

- * Canvas or athletic type shoes are not appropriate professional attire.
- * Tank tops, tube or halter tops, spandex pants, jeans or shorts may not be worn under any circumstances.
- * Mustaches and beards must be clean, well trimmed, and neat.
- * Hairstyles are expected to be in good taste.
- * Offensive body odor and poor personal hygiene is not professionally acceptable.

EXCEPTION TO POLICY

An exception to this policy can be made on a case-by-case basis for employees under the Americans with Disabilities Act or those with a medical condition which requires certain apparel. To receive an exception, employees must provide HR with a request for accommodation from an appropriate healthcare provider.

718 Problem Resolution

Effective Date: 03/19/2003 Revision

722 Workplace Etiquette

Effective Date: 03/19/2003

Revision Date: 04/22/2019

HCHC strives to maintain a positive work environment where employees treat each other with respect and courtesy. Sometimes issues can arise when employees may be unaware that their behavior at work may be disruptive or annoying to others. Very often you can address these day-to-day issues by politely talking with your co-worker to bring the perceived problem to his or her attention.

In most cases, common sense will dictate an appropriate resolution. The College encourages all employees to keep an open mind and graciously accept constructive feedback or another employee's request for you to change your behavior because it may be affecting that person's ability to concentrate and be productive.

The following are some workplace etiquette guidelines and suggestions to help you be more conscientious and considerate of your co-workers and the work environment. If you have comments, concerns, or suggestions about workplace etiquette, contact the Human Resources Department.

- Always act with compassion and respect and follow the example of Our Lord Jesus Christ in all actions.
- Replace paper in the copy machine and printer paper trays when they are empty.
- Retrieve print jobs in a timely manner and be sure to collect all your pages.
- Be prompt when using the manual feed on the printer.
- Keep the area around the copy machine and printers orderly and picked up.
- Be careful not to take or discard others' pTint jobs or faxes when collecting your own.
- Try to minimize unscheduled interruptions of other employees while they are working.
- Communicate by email or phone whenever possible, instead of walking unexpectedly into someone's office or workspace.
- Be conscious of how your voice travels and try to lower the volume of your voice when talking on the phone or to others in open areas.
- Keep socializing to a minimum and try to conduct conversations in areas where the noise will not be distracting to others.
- Try not to block walkways while carrying on conversations.
- Refrain from using inappropriate language (swearing) that others may overhear.
- Clean up after yourself and do not leave behind waste or discarded papers.

901 Grievance Procedures Policy

Effective Date: 03/19/2003

Revision Date: 04/22/2019

Grievance Procedures Policy

Policy Statement: Hellenic College, Inc. (the College) provides each employee with a process for resolving a work-related complaint. To ensure this occurs, the College has established this grievance procedure for disputes between the College and non-faculty employees over work-related issues.

Faculty members not otherwise covered under the Faculty Grievance Procedure may also use this procedure.

Procedures:

Step 1. In most cases, the employee should first attempt to resolve the difficulty informally by discussing it with the immediate supervisor. If the matter is not informally resolved to the employee's satisfaction, a description of the problem should be submitted in writing to the immediate supervisor. The written complaint should include an explanation of the problem, a listing of all facts related to it, a summary of any action or attempted resolution undertaken by the employee, and a description of the desired resolution. The written complaint should be presented to the immediate supervisor with a copy to the Vice President for Administration and Finance within ten (10) working days since the last occurrence of the problem. The supervisor or his/her designee should respond orally or in writing within five (5) working days, unless more time is needed.

Step 2. If the matter is not resolved to the employee's satisfaction at step 1, or the employee believes it is inappropriate to raise the issue with the immediate supervisor, the employee may present the grievance in writing to the Vice President of Administration and Finance (Human Resources) within ten (10) working days after the receipt of the response from the immediate supervisor or his/her designee or the last occurrence of the problem, if step 1 was skipped. The Human Resources or his/her designee may make inquiries as necessary to obtain a full understanding of the facts. The Human Resources or his/her designee should respond in writing to the employee within five (5) working days after notification by the employee of his/her desire to proceed to step 2 unless more time is needed. In some cases, it may be necessary to extend the time frame in which the Human Resources or his/her designee may respond in order to thoroughly investigate the facts pertaining to the grievance. In such a case, the employee should be notified of this need for extension in writing.

Discrimination and Harassment Appeal Process: If charges of discrimination and harassment are not resolved, step 3 of this grievance procedure serves as an appeal process for staff members. Employees shall not be discriminated against or disciplined because they have availed themselves of this procedure.

Hellenic College & Holy Cross School of Theology

Policies & Procedures Manual

Step 3. If the matter is not resolved to the employee's satisfaction at step 2, the employee may take the matter to the third and final step. The employee may notify the President in writing of his/her intention to proceed to step 3 of the grievance process within five (5) working days after the receipt of the step 2 determination from the Human Resources or his/her designee or an adverse determination of a discrimination or harassment complaint. The Human Resources should receive a copy of such notification. The Human Resources will provide the President with a copy of the employee's written grievance and a statement regarding the Human Resources' efforts to resolve the grievance at step 2, or the record of the discrimination or harassment investigation and determination. The President or his/her designee may make inquiries as necessary to obtain a full understanding of the facts surrounding the grievance. The President or his/her designee should give a written decision within fifteen (15) working days following notification to proceed to step 3 unless more time is needed. This decision shall be final and binding on all parties.

In some cases, it may be necessary to extend the time frame in which the President or his/her designee may reply in order to thoroughly investigate the facts pertaining to the grievance. In such a case, the employee should be notified in writing of the extension.

If the employee fails to initiate the grievance procedure or advance the matter through the steps within the specified time limits, s/he generally forfeits the grievance and the determination of the matter by the College is final.

902 Background Investigation

Effective Date: 03/19/2003 Revision

Date: 04/22/2019

Hellenic College, Inc. is committed to preserving the safety of the campus community and the integrity of the institution by taking appropriate steps to protect its people, property and other assets. To that end, the School will perform background investigations as part of its hiring processes for all full-time and part-time Employees. Note, however, that background checks must be conducted if required by a contract or affiliation agreement, or by other School policies.

As the federal Fair Credit Reporting Act provides consumer protections in certain instances, a background check only will be undertaken after a conditional offer of employment is made to the applicant.

A criminal history check in the individual's prior countries of residence will be conducted only if the individual's visa and/or authorization to work in the United States was issued before implementation of the PATRIOT Act on October 24, 2001. The School will not require that a criminal history check be conducted in the individual's prior countries of residence if the visa or authorization to work was issued or renewed under the provisions of the PATRIOT Act.

Background investigations will be performed on current employees where needed as part of an investigation into an incident or allegation, where safety or security is a concern, or when a current employee applies for a new position.

Definitions

A. Background Investigation means to check the criminal or other histories of an applicant to a designated position. It can include, but is not limited to the following: educational record verification, license verification, employment history verification, professional references, driving record check, social security number tracer, credit history as necessary and allowed under law, sex and violent offender registry check, and checks for misdemeanor or felony convictions. Driving records per se will only be checked if driving is required as a job function.

B. Employee includes full-time and part-time faculty and staff, including lecturers, researchers, and those in coordinator or director positions. Employee for purposes of this policy includes priests or other non-student individuals living on campus (e.g. spouses of staff living on campus). Full-time students who are temporary part-time employees ordinarily will not be subject to a background investigation.

Coordination of Background Investigations

A. Authority for Background Investigations

The Office of Human Resources coordinates background investigations for applicants who have received a conditional offer of employment, and for other limited situations where a background investigation is necessary for safety or security. All background investigations must be coordinated through the Office of Human Resources.

The type of background investigation that will be performed is based on the requirements of the position/situation, and will be at the discretion of the Human Resources Office in consultation with the Vice President for Administration and Finance.

Negative background investigation results are not an automatic bar to employment at the School. Background investigation results will be used only to determine the qualifications and suitability for employment in the specific position or situation, and will not be used to discriminate on any basis protected by applicable law. An offer of employment may only be withdrawn if there is a legitimate business reason for doing so, and after consideration of the factors listed in

B. Notification and Authorization from Applicants

Those applicants who have received a conditional offer of employment will be informed of the School's intent to obtain a background investigation. The School has partnered with a third party vendor to process all background investigations. Prior to any background investigation being performed, a disclosure form will be provided to the applicant and consent obtained directly from the third party vendor.

In the event of unsatisfactory background investigation results, the applicant will receive a pre-adverse action letter notifying them of any negative information (including a copy of the report) and notification of the applicant's rights, which includes an opportunity to respond.

If the School decision is not to hire an applicant with negative background investigation results, then the applicant will be sent a final letter advising that they will not be given further consideration for employment, and a Fair Credit Reporting Act summary of rights with the required information will be sent to the applicant.

C. Time Frame for Performing Background Investigations

Background investigations will be conducted after a conditional offer of employment and before the employee begins work for the School. In those cases where necessity demands employment prior to the time frame in which the background investigation can be obtained, continued employment remains contingent on background investigation findings that are satisfactory to the School.

D. Disposition and Retention of Background Investigation Documents

Documents with results of background investigation findings will not be stored or maintained by the School unless there is a legal reason for doing so. Any stored documentation will either be encrypted or printed out and kept in a locked file in the Office of Human Resources.
